

TRACADIE COMMUNITY CENTRE NEWS

February is over and spring is officially here. The renovations are well under way and the hall is shaping up quite nicely. Since it is still a construction zone, access to the main hall and kitchen is only open for workers.

The new Directors for 2013 are Barry Schieck (Chair and Treasurer), Chad Crockett (Vice-Chair), Linda Craig (Secretary), Frances Dougan, Anne Cheverie, Mike Ford, Matt Kelly and David McNally. We are delighted to welcome Chad, Matt and David. Their expertise in new technologies and marketing will greatly improve our chances of moving the Tracadie Community Centre into the 21st century.

As we embrace the benefits of technology for the Community Centre we are also improving the way we deliver our newsletters. Starting in April, the newsletter will be delivered in both digital and print versions and made available online at www.tracadiecc.com for viewing anytime. We will also post links on Facebook and Twitter, so please make sure you like us on Facebook and follow us on Twitter @tracadiecc to stay current on all the events and news at the Tracadie Community Centre.

It would really be appreciated if you could send us your email address as we can provide a monthly update for the newsletter online and email it directly to you. In an effort to save money, and the environment, we will provide the print version of the newsletter quarterly delivering it to your mailbox 4 times a year with exceptions for special announcements. Help us go green and send your email address to bschieck@paraccountant.ca
